Compuprint
9070

The Compuprint 9000 family is designed to meet the most demanding requirements of today's applications while offering unmatched performance in Windows and graphic printing environments. The ideal solution for mission critical requirements, with the full flexibility to support a variety of forms and documents.

Value and Features

- Long life 24 pins print-head technology
- 700 cps at 10cpi up to 1050 cps max speed
- Superior performance in graphics printing
- Dual front straight paper paths
- 8 copies capability
- Simple to use, pre-set configurations
- Open for connectivity with optional integrated LAN
- Wide range of barcodes and macro-characters

A leading-edge series for today and tomorrow
Compuprint 9070 integrates the latest technology and innovation based on more than 30 years of Compuprint leadership in the serial printer technology.
It represents the preferred choice for business and industrial printing applications requiring up to 50,000 pages per month workload, providing the best investment for many years of worry free service.

Fast, flexible, reliable
Compuprint 9070 is built on state-of-the art technologies and innovative functionalities. It provides superior performance in traditional impact applications, while offering the highest speed in today's growing graphic and Windows applications. It offers the highest levels of flexibility and automation for the user with a unique paper path for superb reliability.

For a broad range of connectivity and printing requirements
A wide set of interfaces and protocols allow the printer to connect in most contemporary environments while providing security for future migration. Compuprint 9070 offers integrated LAN connectivity, network management software and industry's best IPDS over LAN.
The unique and optimized choice for quality and speed graphics mode provide the ideal solution for industrial requirements for printing macro characters, barcodes and pre-printed forms

Printing Technology	24 pin serial dot matrix printer			
Printing speed	max: 1050cps
